

GreenUp Waterproof G2 WT158C

Energy-efficient lighting for industrial & commercial applications

An upgraded functional product that provides excellent optical performance, substantial energy saving and system connectivity. A perfect lighting solution for canopy, food and beverage industry, parking garages, car washers...

Benefits

-  Superior optics - up to 125 lm/W, excellent illuminating uniformity
-  Reliable performance - long lifetime of 40,000 hours
-  Easy installation - toolless quick connector

Features

- Product diversity with 3 lengths, multiple lumen options
- High IP rating - IP66, IK08 ready for industry applications

Applications

- Production line and assembly line
- Warehouse
- Food industry
- Parking lot
- Public area

CRI >80	SDCM ≤5	PF 0.9	IP66 IK08	220-240V 50/60Hz

Technical specifications

Model	WT158C			
	L600	L1200	L1500	
System lumen	1800lm	2500lm	3600lm	5600lm
System power	15W	20W	30W	46W
System efficacy	120 lm/W	125 lm/W	120 lm/W	122 lm/W
Color temp.	4000K/6500K (ETO)			
Dimensions (LxWxH)	611x69x90mm	1201x69x90mm	1501x69x90mm	
Working temp.	-20°C to 45°C			
Lifetime	40,000 hours (@L75B50 @Ta 25°C)			
Materials & finishing	Housing: PC/ Optical cover: PC			
Mounting	Surfaced/Suspended			
Standards/ Certification	CE, IEC60598 (CB scheme)			

Note: Product specifications can be changed without prior notice. More options are available on request. Please contact your local representatives.
