

PowerBalance G4 RC650B/ RC600B

Sustainable performance

Philips' most energy-efficient office norm-compliant LED luminaire. It's more than halves energy costs compared to a T5 solution, and the light source has a longer lifetime. This results in significantly lower operational costs.

Benefits

-  Excellent glare control, UGR 15~16
-  ≥75% energy efficient compared to conventional TL solution, additional saving with motion sensing and daylight harvesting
-  Modular flexibility offering more sizes to cater different needs

Features

- High energy efficacy up to 140 lm/W
- CRI 90 - Conformity to WELL
- Multiple control interface available

Applications

- Open plan office
- Cell office
- Public indoor area
- Meeting/Training room
